extent, in a belief that Major Breckinridge is supposed to fever that line of policy. Ou the other hand, many of the Opposition, in blind adherence to the Unian, do not seem disposed to act in such manuar as will save.

MEREAS: It appears from the proceedings of the General Assembly of the Commonwealth of Kentucky, as published in the newspects of the day, that leave has been grant-bation or enthusiasm. He advocated the Crittenden amendment to the Constitution.

Although it did not give us all that we were seconding States will meet at Moutgomery disposed to act in such manner as will surve fully entitled to, yet he thought the South o preserve the Union with the rights guarauteed under it. Actuated by these oppoought as readily to grant it as a compromisita feelings, a calm and deliberate adjust- and settlement of existing difficulties. the North refused to give the South this ment, that will secure the whole undivided upport of the people, is rendered more evitable. He thought all the slaveholding States ought to consult and act in concert

fort during the present session, that if the convention was called, the election of there would be greater safety in their action. ing together than separately.

He took strong ground against opercious delegates would not turn npon what was best for the Stota and for the Union, but that it wes unwise, and would bring en civil wer between the North and the South, whether this or that set of politicians should have the power and control the disposal of alike disastrous to both. That our Unio rests upon public opinion and the affections of the people, and could never be comented by the blood of its citizens shed protormitted. It is useless to say that the in elvil war; and that any attempt to march a northern army through Kentucky, for the purpose of subjugating a Southern State by people of Kentucky by every means in their If no satisfactory adjustment could be

had, and Kentucky should decide to go out, her interests and her safety certainly re Southern States, and not with the North sone in our midst, whose sympathies wer with the North and against the South, differed with him. This was to be expected When the Declaration of Independence was made, many persons in the Colonies joined the English party, and fought against the Colonies. After the conclusion of peace, a bill was introduced in the Legislature of Virginia in favor of permitting the British refugees to return to the United States. Patrick Henry advocated the bill, and is answer to a speech made against lt, exclaimed: "Afraid of them! What, sir! shall who have laid the proud British lion at our feet, now be sfraid of his whelps! This gave great offense to a Black Republicau, "Dew Drops," and he determined to have revenge. So, that night he stuffed a pair of his old breeches, and, "solitary and alone," at the dead hour of night, "Dew Drope" stole cautiously out, and while he was engaged in the bold and chivalrous undertaking of hanging up his breeches, a gentleman happened to pass by, and "Dew Drope," elies "Whisky Drops," broke and ran as if he had been caught in the act of
